Alcoholic drinks

All whiskies from Nos 1 to 18 (Scotch) and 1 to 9 (Irish) have been selected and passed by Government in previous years. As these are imported by respectable firms or Agents, and Considering the price and strengths of the liquors. I dont see any objection to the Same being allowed to be Sold as in previous years.

(A) All the brands marked (A) may be passed for selection of Shopkeepers to meet bonafide public Consumption and to that extent only. Vide Notes giving opinion in detail. (B) These are of a doubtful Stamp and should be disallowed sale in the Shops. List A is ample to make the selection needed without throwing on the market a host of doubtful Stuff. (C) These are all Country bottled liquors and should be rejected until the precautions advocated are practically enforced. See notes in detail (D) 6 of the most respected and well known agents lists were referred to, and these brands were not found in them. They should for the present be rejected.

I endorse the opinion and remarks of the Deputy Commissioner. The firms who import into this district are Messrs Cutler Palmer & Co.; McDowell & Co.; Teeri & Co; Oakes & Co.; Spencer & Co; and Leighton & Co. who have all executed the necessary Guarantees for Country bottled liquors.
